*“I am running for the CAWCD Board because I believe my knowledge of water policy and management and experience on public boards can contribute to the deliberations regarding the Central Arizona Project (CAP). As growth in Central Arizona and drought conditions continue, the CAWCD Board will be facing some important policy decisions in the coming years, particularly related to the Central Arizona Groundwater Replenishment District.” - Sharon Megdal*

#### My Commitment:

I pledge to represent the people of Pima County. As a member of the CAWCD Water Board, I will work hard with fairness and integrity, ask tough questions and contribute to developing long term solutions.
